

CLIENT INFORMATION

How to book:

You have the ability to go online and easily book an appointment. You will be required to pay a \$100 deposit before being able to confirm your appointment time and date chosen. We will book your touch up appointment either before your initial appointment or at the time of your session. The touch up appointment should be 4-8 weeks after your initial appointment. Please do not book an appointment without getting prior approval from us if you have ever had permanent makeup before, no matter how long ago it was or how faded it looks to you. We cannot always cover old tattoos and we must be able to verify that it can be covered, or if we will need to refer you for color correction or removal.
